

Product information | DATA SHEET

MTN PRO GLOVES - WINTER

GENERAL DESCRIPTION

The MTN PRO Gloves - Winter are high quality, reusable technical gloves, designed to paint in environments with extremely low temperatures. The glove has a double plush inside, an outer coating of smooth latex and foam latex on the cuff. This technology guarantees extra protection both in extreme temperatures and in the rain.

Available in two sizes: S-M and L-XL.

FEATURES

- Black.
- Improved grip on fingertips.
- Doble Plush interior.
- Two sizes available.
- Colour label identifying size and model.
- Foam latex fist.

USE

MTN PRO GLOVES are ideal for:

- Outdoor painting processes.
- In general, for the protection of hands in all those situations where the use of spray paint can stain them.

INSTRUCTIONS FOR USE

- Separate the gloves from the cardboard.
- Wear them by keeping the logos on top of your hand.
