

Product information | TECHNICAL DATA SHEET

MTN HAND CLEANSER.

100 ml, 3.3 Oz.

GENERAL DESCRIPTION

MTN Gel is a high performance hand cleanser, specially formulated to remove the most difficult stains such as polyurethane paint, primers, resins and adhesives. This product does not contain solvents or aggressive components such as hydrocarbons, so it is exempt from ADR regulations.

It also contains skin conditioners, such as lanolin and glycerin among others, as well as plumite, which increases its cleansing potential. MTN Gel can be used without risking irritation, allowing for immediate cleansing. This product is formulated with select components, making it a top quality skin cream with a high emulsifying capacity that effectively cleans hands.

CARACTERÍSTICAS

- Water-based technology
- Viscous greyish lotion
- Does not irritate the skin
- Does not contain solvents

INSTRUCCIONES DE USO

- Dispense a sufficient amount of GREIN onto dry hands.
- Rub hands with the cleanser until the stain has dissolved.
- Rinse with plenty of clean water.
- If any stains remain, repeat the procedure.
